

CHIMNEY HOODS

K273

A mix of stainless steel curves and angles shape the canopy and chimney

Integral utensil rail adds a distinctive highlight and functional convenience

Powerful yet quiet internal and external blowers with HVI certified performance (see p. 52)

Quick-release, stainless steel/aluminum mesh filters are dishwasher safe

Bright halogen lighting with two intensity settings

Electronic controls include a 10 minute time-delay shut-off feature and a reminder light for filter maintenance

Heat Sentry™ is a smart feature that detects excessive heat and adjusts speed to high automatically

Telescopic flue for 8' to 9' ceilings – Custom extensions available (see p. 50)

Two halogen lights flood the cooktop with brilliant light.

Hidden from view but easy to access, electronic control provides four speed settings.

For installation guidelines and product details see pages 54 – 58.

Every once in while there's a product that simply needs no introduction. Where form doesn't follow function, but rather walks beside it in perfect harmony.
